- Yes
- No

Please answer the questions below regarding the proposed multi-use path on the east side of Clayton Avenue.

EAST SIDE CLAYTON RIGHT-OF-WAY

A. How do you think the 66-foot wide right-of-way on the east side of Clayton Ave from Johnson St to the Mantoloking border should be used?

- Leave it the way it is - no changes. Please explain reason for "no change" below:

- Improve the area as detailed in Question B below.

B. Please indicate any improvements you think should be made to the right-of-way area (assuming external funding can be obtained):

Please check all that are applicable.

- | | |
|----------------------------------------------------------------------|------------------------------------------------------|
| <input type="checkbox"/> Walking path or sidewalk (for walkers only) | <input type="checkbox"/> Playground equipment |
| <input type="checkbox"/> Multi-use path (for walking and biking) | <input type="checkbox"/> Park bench(s) |
| <input type="checkbox"/> Keep existing shade trees | <input type="checkbox"/> Lighting |
| <input type="checkbox"/> Incorporate native plants and shrubs | <input type="checkbox"/> Security camera |
| <input type="checkbox"/> Butterfly garden | <input type="checkbox"/> Appropriate safety signage |
| <input type="checkbox"/> Other: | <input type="checkbox"/> Handycap accessible |
| | <input type="checkbox"/> High visibility cross walks |

C. If no or only partial external funding can be raised, would you still be in favor of the project?

- Yes
- Yes, but only depending upon the amount of funding
- No - project must be financed externally

D. Please add any other suggestions, questions, or concerns regarding the Clayton Ave east side project.

Thank you for participating in this survey. Please drop-off (or mail) your completed questionnaire to "Borough of Bay Head, Borough Hall - 2nd Floor, 83 Bridge Avenue, BayHead, NJ 08742. "
